For those who are not aware, or may need to borrow some loot to afford Dubs, Ehren may be worth sucking up to.

The guy canned #9 at the mountain on 3/6/09 for \$150.00

Then, canned #15 at Jordan yesterday 3/17/09 for another \$150.00

.....happy patty's day indeed!!!!!!!!!!

I had him pour some of his beer on my discs for good luck.
