Bump.

I Just want to find out who is still on planning to help out with the clinic next Saturday the 27th. If possible, I would like to meet up around 10am to go over what will be covered. Thanks.

i see no issues with committing a few hours and being there around 10am next saturday.

nice work matt!!! (fred...with 25 discs, plus what the park has....do you think you need more?)

i can bring a case of juice or something if that helps....

Thanks for mowing!!!!!!!!!!!!
