Due to funk of Monday nights in general, it has been discussed about trying a once/month doubles night at Unami Park. And just for the randomness of it all, we have selected the 2nd Monday of the month. SO! With all that being said, July 13 will be our next doubles at Unami Park. And since I am sure all our protesting friends are reading this, we can call it The Monthly Meet and Greet With the Protesters Night! WOO HOO! ■

Will be there!
