The Bearclaws Disc Golf Association will host **Do it for the Dam VI**, Saturday, August 22 at the Francis E. Walter Dam Disc Golf Course in Lake Harmony, Pa.

This event will be a fundraiser to be used for the installation of cement tee boxes at FEW. For those who played the Summer Soltstice in June, you know full well that all the rain leading up to the event left many of the crushed stone tee boxes flooded and soft, providing poor footing in some areas.

This event will help secure some funding for the purchase of the cement. Since the Bearclaws do not receive any financial support from the state, county, or FEW's Army Corp of Engineers, we will have to pay for the entire project. We are fortunate to have some handy individuals among our group and we will do all the installation ourselves.

As of this posting, the tee boxes for holes one and two have already been completed and we will be doing another this weekend. We are hoping to have all the work done before winter.

Registration will be from 8:30 a.m. to 9:30 a.m. and play will begin at 10:00 a.m. We will play two rounds of singles.

Cost is as follows:

\$20 Pro

\$15 Advanced

\$15 Intermediate

Men's and women's divisions will be offered

Payout will be 60% to field and 40% to the tee box fund.

You can find the event flyer on the first thread at the following link:
